RADIANCE FROM WITHIN

A NEW TAKE ON BEAUTY

Radiant health and beauty starts on the inside. So we created a beauty solution that works from within. Beauty Gen is a versatile range of collagen beauty products for every taste and preference. We have sourced the highest grade ingredients in proven ratios to help you shine as you navigate the modern world. Help delay the visible signs of ageing and reap the powerful benefits of our collagen peptides for plump, supple skin. Life is busy. So keep it simple and reward your body with the best.

NAKED COLLAGEN

YOUR SIMPLE HEALTH AND BEAUTY STRATEGY - WITH NO SECRETS.

Fight the visible signs of ageing with 12g Pure Hydrolysed Type I & III Collagen Peptides. The smaller, easily digestible peptides are identical to collagens in the body that decrease as we age. Every serving boosts wellness and mobility, enhances joint and bone health and improves your athletic performance. Our high purity collagen is free from added ingredients and neutral in taste, integrating seamlessly into your diet.

COLLAGEN TYPE I, II & III

Naked Collagen Complete is a triple source of collagen, containing type I, II and III. It is a comprehensive beauty solution for healthy hair, skin, nails, joints and connective tissue. Carefully extracted undenatured collagen is combined with pure collagen peptides to help replenish diminishing collagen levels in the body, prevent internal attacks on joint collagen, and fight the signs of ageing. These collagen sources synergistically provide nutritional support to nourish, heal and protect your body from the inside out.

NAKED COLLAGEN +PLUS CREATINE

Naked Collagen +PLUS Creatine is a high-performance blend designed to support lean muscle growth, faster recovery, and healthy skin, hair and nails.

Performance without the bulk: 5 g creatine per serving supports muscle strength, tone and recovery without adding mass — ideal for active, lean-focused training.

Radiance from within: 10 g pure hydrolysed collagen peptides (bovine, type I and III) per serving nourishes joints, skin and connective tissues to help improve elasticity, hydration and resilience — while also supporting hair and nail strength.

Stable, clean energy and fewer cravings: Chromium picolinate supports stable energy and curbs cravings. With no gluten, GMOs or added hormones.

BEAUTY GREENS RANGE

5 IN 1

Introducing the Beauty Greens range. Here, we combined five key ingredients into a single product, nourishing your body from the inside so it can shine on the outside.

Beauty Greens is a nutritional powder consisting of freeze-dried ingredients that is tasty and simple enough to stir into smoothies, yoghurt, oats or juice - and even plain water too.

Enriched with Hydrolysed Bovine Type I & III collagen, dairy-free probiotics, omega-3s, 50 organic superfoods and buffered vitamin C, this is your 5-in-1 beauty booster for healthy and beautiful skin, hair and nails.

Type I & III Bovine Collagen – promotes plump, wrinkle-free, supple skin and strengthens nails and hair.

Dairy-Free Probiotics – alleviate skin issues, hydrate the skin, promote thick, shiny hair, while strengthening and nourishing your nails.

Omega-3s – tackle skin issues, strengthen skin barrier function, combat dry scalp and brittle hair, and help strengthen brittle nails too.

50 Organic Superfoods – improve all processes in the body and fight the signs of ageing with antioxidants.

Buffered Vitamin C – diminishes skin discolouration, provides anti-ageing antioxidants, and combats hair fall and premature greying.
